CPM Courses that overlap with major** _____

***Students may use a maximum of 6 credits (or 2 courses) to satisfy the requirements of both a major and a minor. Additionally, courses completed in one minor may not be used for requirements of another minor.*

I plan to graduate: Fall _____ Spring _____ Summer _____

Please note that students wishing to declare the minor must do so one full academic year in advance of graduation

Course Requirements for a Minor in Construction Project Management

Four Core Requirements

- ENCE 325 - Introduction to Construction Project Management
- ENCE 423 - Project Planning, Estimating & Scheduling
- ENCE 424 - Communications for Project Managers
- ENCE 426 - Construction Documentation and BIM Applications or ARCH 472 - Building Information Modeling

One Elective

- ENCE 420 - Selection & Utilization of Construction Equipment
- ENCE 421 - Legal Aspects of Architectural & Engineering Practice
- ENCE 422 - Project Cost Accounting & Economics
- ARCH 430 - Measuring Sustainability in Architecture
- ARCH 462 - Methods & Materials of Building Construction
- ARCH 467 - Integrated Project Delivery.

One Internship

- Students will secure internship themselves with assistance from their advising College

To earn a Minor, a student must complete 5 courses with "C-" or better and have a minimum GPA of 2.0 for the Minor. Students must also complete a internship.

I have read and agree to all stipulations in this document.
