**CURRICULUM:**

This worksheet is to be used for students in the M ARCH (Path A degree-track) / RDEV dual degree program. The official curriculum for this dual degree can be downloaded [here](#). In order to count for credit toward a graduate degree, all courses in this curriculum must be taken at the 400 level and above.

**ADVISING CYCLE OBJECTIVES:**

FALL (Mid-October through Reading Day in December): Winter Term Registration, Spring Semester Registration, Summer Session planning (particularly Education Abroad)

SPRING (Mid-March through Reading Day): Summer Session Registration, Upcoming Academic Year planning, Fall Semester Registration

**GRADE POINT AVERAGE IN MAJOR POLICY:**

The 3.0 GPA in major policy requires all graduate students matriculating in Fall 2012 to earn a 3.0 grade point average in their major, minor, and/or certificate requirements. With the new plus/minus policy, the minimum grade for most major courses is a B-, now calculated as a 2.7. It is important that graduate students clearly understand what courses make up major, minor and certificate requirements, and that the cumulative GPA for those courses must be at least 3.0.
