CURRICULUM:

This worksheet is to be used for students in the M ARCH (Path B degree-track) / MHP dual degree program. The official curriculum for this dual degree can be downloaded [here](#). In order to count for credit toward a graduate degree, all courses in this curriculum must be taken at the 400 level and above.

ADVISING CYCLE OBJECTIVES:

FALL (Mid-October through Reading Day in December): Winter Term Registration, Spring Semester Registration, Summer Session planning (particularly Education Abroad)

SPRING (Mid-March through Reading Day): Summer Session Registration, Upcoming Academic Year planning, Fall Semester Registration

COURSE DESCRIPTIONS:

A complete listing of course descriptions offered by the Architecture Program can be found at:

GRADE POINT AVERAGE IN MAJOR POLICY:

The 3.0 GPA in major policy requires all graduate students matriculating in Fall 2012 to earn a 3.0 grade point average in their major, minor, and/or certificate requirements. With the new plus/minus policy, the minimum grade for most major courses is a B-, now calculated as a 2.7. It is important that graduate students clearly understand what courses make up major, minor and certificate requirements, and that the cumulative GPA for those courses must be at least 3.0.

This form is designed to facilitate communication between student and advisor about a course of study, when completed successfully by the student, will lead to timely graduation. It is the responsibility of the student to select courses that will fulfill the requirements of the degree program and the certificate program if applicable. The student's signature indicates intent to register for the courses listed on this form. The student is responsible for completing this form during the official advising period (Mid-October through Reading day in December and Mid-March through Reading Day in May) and obtaining the advisor's signature. The advisor's signature indicates approval of the student's proposed course of study thereby authorizing the removal of registration blocks. Any changes to this plan require advisor review, approval, and signature.
