PLAN

LAYERS OF HEALTHY LIVING

STRATEGIES

- ESTABLISH** a sense of place at the Dell via a broad mix of new amenities.
- Waterfront parks
 - Great streets
 - Public plazas
- CREATE** a resilient community that promotes a diverse economy.
- Pursue social justice
 - Support healthy living
- ENERGIZE** the Dell by providing a wide array of diverse activities and development.
- 24-hour activation of streets
 - Unique seasonal activities
- TRANSFORM** the Music City bikeway into a high performance green street
- Quiet residential street
 - Storm water management and flood mitigation
- PROMOTE** environmental stewardship.
- Green building design
 - Improved infrastructure performance
 - Reduced auto dependence
 - Landscaping integration
